

# INDUSTRIAL INSPECTION AND CONSULTING, LLC

NACE AND SSPC INSPECTION AND CONSULTING SERVICES

**Bobby Merigan** has over 15 years of inspections and regulatory compliance experience both in the government and private sectors. Since enlisting in the United States Coast Guard in 2007, Bobby has conducted audits of Foreign Vessel to ensure compliance with international and domestic safety regulations, hazardous material inspections and led numerous hazardous material spill responses. After leaving active duty and transferring into the USCG reserves Bobby was employed by the State of Arizona as Deputy State Fire Marshal conducting inspections and investigations. Industrial Inspection & Consulting has hired Bobby to act as the company safety and QP5 programs manager.
