

INDUSTRIAL INSPECTION AND CONSULTING, LLC

NACE AND SSPC INSPECTION AND CONSULTING SERVICES

Greg Sprinkle has been in the coating industry for over 30 years and has been an inspector for over 20 of those years. Throughout his career he has held positions as a Coating Manufactures sales representative assisting customers with product selection, failure analysis, product installation and product development. Technical knowledge about material selection is sought out by both clients and contractors throughout the country and is currently assisting NACE and SSPC with merging their Certification programs.

Greg Sprinkle's Current Certifications:

- SSPC Master Coating Inspector # 0017
- SSPC Certified Concrete Coating Inspector Level 2
- SSPC Certified Protective Coating Inspector Level 2
- SSPC Certified Bridge Coating Inspector Level 2
- SSPC Certified Fireproofing Inspector
- NACE Certified CIP Level III # 5417
- SSPC Protective Coatings Specialist (PCS) #2020-113-326
- AMPP Senior Certified Coatings Inspector #5417
